BEGINNER PERCUSSION

Some band programs prefer larger keyboard percussion instruments for their beginners so performance techniques and posture are more closely aligned to full size concert instruments. These keyboard percussion instruments and stands are offered on our rent to own terms and additional accessory items are available for purchase with each option.

FREQUENTLY ASKED QUESTIONS

How long will it take to process my online rental?

Rentals are processed and shipped the same day or next business day--we just need to verify your identity and billing information.

What comes with the instrument?

Every instrument rental includes mallets and or drumsticks. Music books, music stands and care kits may be added to your order. Select instruments include a carrying case.

What happens if my child does not want to continue?

Contact us to get a Return Authorization number. Once you have this number, ship the instrument back to us via UPS. Your contract will end when we receive the instrument.

Do you offer any kind of protection plan?

Our Maintenance & Repair Plan costs just \$5 per month and protects your child's instrument against accidental damage or destruction. Contact us to make arrangements to ship the instrument back to us and we'll repair it. Does not include replacement cost of mallets or drumsticks.
