

Chiefs Rumble Audition Information

Audition Information: Sunday April 12th, 2015 at Chiefs Pavilion 1-5 pm

- **What will happen at the audition?**
 - Players will be asked to play warm-ups and music downloaded from www.rentmyinstrument.com. Players will rotate on and off of the battery instruments in order to ensure that Rumble staff has an opportunity to assess each person auditioning in the full line setting.
 - Players will be asked to demonstrate the ability to move and play through the use of marching and body movement.
 - Each player will have a one-on-one audition with the Rumble director. Players are asked to perform a 30-60 second piece that demonstrates ability. This can be a solo, cadence or a piece of Rumble music.
 - Players are welcome to attend more than one audition, but will only have the opportunity to play one-on-one at a single audition date.
- **What to bring?**
 - Sticks/mallets-Some will be provided, but it is important to have a way to play along with the players on the instruments during the full line rotation.
 - Practice pad-We encourage players to practice and get repetitions on music, even when not on a battery instrument
 - Tennis shoes-We will be marching and working on movement, so it is important that everyone have comfortable footwear that allows for this.
 - Music and music stand-We will not have access to music stands, so please bring one if you can. Otherwise, music will need to be memorized or taped to the drums during the audition. **Copies of the music will not be provided**, so make sure to print off your own copy from RMI's website.

- **Results**

- The list of those accepted into the 2015-2016 Rumble will be posted at www.rentmyinstrument.com within one week of the final audition date. An “A-line” of the group will be posted along with a list of alternates for each section. Alternates are expected to attend scheduled practices to remain a member in good standing.
